

APF ORANGE CLEAN

PRODUCT DESCRIPTION AND USE

APF Orange Clean is a natural degreaser containing d-limonene and positive emulsion cleaners. APF Orange Clean contains no petroleum solvents and has no flashback vapors when sprayed on surfaces. The product provides for easy removal of grease, oil, ink, coffee, grass stains, blood, pet stains and other tough soils from any washable surface. Unlike TSP, Orange Clean is easily rinsed from the surface and has a reduced tendency to leave a residue that could interfere with subsequent coatings.

APF Orange Clean is especially well suited for cleaning previously coated surfaces as a preparation for recoating. Best results are obtained when using the cleaner 1 part to 8-12 parts water. Scrub with a floor machine using a black or blue janitorial pad. Do not allow the cleaning solution to dry on the substrate. Rinse well with water. For dilution rates for other types of cleaning, see instructions on the container.

Handling Precautions

May cause skin and eye irritation. Avoid contact with skin and eyes. Read Material Safety Data Sheet before using.

WARRANTY INFORMATION

08/02

Arizona Polymer Flooring guarantees that this product is free from manufacturing defects and complies with our published specifications. In the event that the buyer proves that the goods received do not conform to these specifications or were defectively manufactured, the buyer's remedies shall be limited to either the return of the goods and repayment of the purchase price or replacement of the defective material at the option of the seller. ARIZONA POLYMER FLOORING MAKES NO OTHER WARRANTY, EXPRESSED OR IMPLIED, AND ALL WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED. Arizona Polymer Flooring shall not be liable for damages caused by application of its products over concrete with excessive moisture vapor transmission or alkalinity.
